HELP US TO HELP OTHERS

Huntingdon Grafham Water Lions Club have been organising walks since 1979, raising in excess of £200,000 for local charities.

90/10 Rule: Walk for your own good cause and retain 90% of the amount raised, send the balance to the Lions Club for their charity. *This year we are raising money for the Lions Clubs Message in a Bottle project, which allows us to provide a potentially life-saving service to vulnerable people.*

Gift Aid: Charities registered for Gift Aid should make their own arrangements for reclaiming money from the Inland Revenue.

Refreshments are provided at three points, free of charge.

Marshalling & First Aid is provided at Start/Finish and on route.

Main Walk:- Starts from Marlow car park, nr Grafham, (PE28 0BH) at 10am, and follows the clearly marked cycle path in a clockwise direction. The walk is approx 10 miles long. Note, Car Parking charges in operation, please bring change.

Mini Walk:- Also starts from Marlow car park, (PE28 0BH) at 10am, and follows the clockwise route to the end of the Dam, turns round and returns to Marlow Car Park. Approx 3 miles.

Timing: Start 10am - most people walk at 2.5 to 3 miles per hour.
